A Note from Mrs Adams,

Well done to the St. Patrick Saintry team for achieving the most saintly points this week. Recently we have had many important visitors to our academy to see how we are progressing with our post ofsted action plan. It has been a delight to see so many polite and well behaved children around school, greeting the visitors and opening doors etc and many positive comments have been made by the visitors. So well done to everyone, including staff who are working extremely hard raise standards. Worship has been very moving this week with Remembrance and the collection for the British Legion has been impressive. In respect a silence was held at 11.00am today.

Have a good weekend.

KS2 fruit

As an academy, we receive daily KS1 fruit for free.

Some days we have spare fruit and this goes to KS2 children. However, if you feel that your KS2 child would benefit from bringing a piece of their own fruit each day, we would like to invite children to do this.

The fruit or vegetable needs to be kept separate to any packed lunches so the children can access the fruit/vegetable easily.

Please note, no fruit winders, etc, are allowed.

Thank you for your co-operation.

Year 6 boosters

We are now in our second half term of the year 6 boosters that are running really well. The sessions don't start until 8.20am so could we ask that children in year 6 arrive for this time and no earlier than 8.15am.

Thank you for your co-operation.

Children in Need

On Friday 18th November, we are supporting Children in Need as a charity.

We would like to invite the children to bring a donation to school and dress in a spotty theme or non-uniform to support the charity.

Thank you in advance.
