A Note from Mrs Adams:

Well done to the St. David saintly team for achieving the most points this week. The reward will be an African drumming workshop at the beginning of next term. Well done too to KS1 for their marvelous dance performance this week. The children all enjoy their sessions with the Elite sports company. I am also pleased to say a huge well done to the children who have been going out recently to compete in sports events. We have been doing quite well and our trophy cabinet is being updated!! It is also lovely to hear so many positive comments from the public to say how well behaved our children are when out on visits. They are a real credit to you.

Have a lovely weekend.

Education City

We have been trialing Education City for homework over this half term.

Most children seem to have had some success and other children have had a few issues.

We would like to continue using Education City for homework and we do offer weekly homework club for children to use the academy laptops if they are struggling at home.

If you are still having any issues with Education City at home, please speak to your child's class teacher or comment on the Academy Facebook page.

We welcome any positive feedback on the homework as well.

Thank you.

Collecting children

Can we please remind parents/carers that as an Academy, we only allow children in year 5 and 6 to be walk home at the end of the school day. This is with written permission that will have been given to class teachers.

Thank you for your co-operation.
