A Note from Mrs Adams:

What a busy week! I would like to say a huge well done to Y6 children for their efforts during SATs this week. They have worked so hard all year and been well supported by a great staffing team. They thoroughly enjoyed the treats afterwards! Today has been national sandwich day and the children have enjoyed eating a sandwich picnic lunch, although the British weather has not been particularly kind to us! I am pleased to say that our outdoor reflection area is almost complete now and the children are going to have the opportunity, in small groups, to take some valuable reflection time. I am looking forward to that myself!!
Have a great weekend

We do not learn from
experience... we learn
from reflecting on
experience.

Ofsted priorities

This week we had another monitoring inspection to see how much we have improved since January.

Some very positive

comments were made by the inspector and a report will be sent out shortly.

We continue to work tirelessly to improve

outcomes for pupils and the inspector again was impressed with our

academy council. Well done.

Sun cream

The weather is beginning to become a lot warmer and hopefully summer is now officially on its way.

Can we ask that parents apply sun cream to children before school. If children need to bring sun cream into school, it must be labelled with a name and children must be able to apply their own cream.

Thank you

Year 5 dance show

On Wednesday 24th May, Year 5 will be sharing their street dance work for parents to watch.

The short dance show will be in the hall from 2.45pm.

We look forward to seeing you there.

Year 2 and Year 6 SATs

Last week and this week, the children in year 2 and year 6 completed their SATs tests.

All the children have worked really hard and have had little treats to celebrate their efforts.

As long as the children have tried their best, that is all we ask for and they certainly have done.

Well done Year 2 and Year 6.
